

Vintage Racer Group Tire Rules
Updated: 1/6/2020

Tires: Beginning in 2021 the Pittsburgh Vintage Grand Prix has adopted the tire rules and regulations of the VRG:

- Sizing is based on existing rules and regulations for individual car classification.
- Tread must extend across the tire (no DOT slicks with only circumferential grooves).
- Minimum 2/32nds of measurable tread.
- Minimum UTQG of 100 AAA.
- Minimum speed rating of H.

Some examples of acceptable tires:

- Avon ACB10
- Goodyear Blue Streak
- Hoosier Street TD & Speedster
- Toyo RA1, R888- R888R, R1R

Some examples of non-acceptable tires:

Slicks or any of the following tires:

- Avon Tech RA
- BFG G -Force R1
- Goodyear GS/CS/RS
- Hankook Z214
- Hoosier DOT Radial, (A6 or R6)
- Kumho V710
- Toyo RR
- or any other "street slick" type DOT tire.

NON-DOT Racing Tires:

The non-DOT treaded racing tires listed below **are approved for VRG competition:**

- Avon: ACB9, CR6ZZ, A29, H-003 and H-009
- Goodyear: BlueStreaks, Vintage Sports Car Specials, G12 and G12A
- Hoosier: Vintage TD, Street TD, Speedster, TDR, TDS, R35B, and VFF
- Dunlop: L-series, M-series, CR65, and CR82

Any non-DOT racing tire that is not listed above, is not approved for VRG competition.
